Hoggard can nominate up to two candidates per year for this state leadership seminar (*The first candidate is guaranteed a spot and the other is an alternate or may attend depending on the conference numbers*).

Students seeking nomination should complete and hand in the following items directly to Mr. Jawitz by December 17th. The HOBY State Leadership Seminar does have a cost associated with attending which is about \$195. The registration fees are the responsibility of the student/parent.

- 1) Type a 100-200 word essay on the most rewarding/challenging aspects of being a leader in your school or community.
- 2) A resume or brag sheet that highlights your high school academic awards/honors, extra-curricular activities, and service activities.
